

A People's History of Hurricane Katrina Conference

Mitch Landrieu and his Walmart, Entergy, Rockefeller Foundation, and other capitalist “partners” are putting on their “Katrina 10: A Resilient New Orleans” commemoration to cover up the ruling class’s crimes.

Come to a People’s History of Katrina Conference to hear the truth about the capitalist crimes inflicted on New Orleans’ working class, the resistance to these attacks, and the continuing liberation fight against capitalist destruction and for a real working class reconstruction of New Orleans, the USA and World.

Honor and celebrate the coming home of Public Housing activist and political prisoner Kawana Jasper!!
