

# ***JOBS FOR ALL RALLY***

# **12:00 SUNDAY, MAY 1**

# **INDEPENDENCE PARK**

**VanBuren and Nichols, Newark**

Today, one in six Americans is unemployed or underemployed, and **one in four** is among African-Americans and Latinos. Public workers are under attack and education, health and other vital public services are being slashed. **Today, there is only one way to create jobs—the government must hire workers directly at good pay to do the work that needs to be done. The public sector needs to be vastly expanded, not cut!**

## ***We Demand: A MASSIVE PUBLIC WORKS PROGRAM***

A Public Works Program will provide government jobs at prevailing wages to:--Cut class size in our schools—Provide Free Higher Education--Provide low cost housing for all--Expand mass transit --Research, develop and build cheap, clean safe energy. *This program is to be paid for by ending the wars in Iraq, Afghanistan and Libya and by taxing the rich and the corporations who created the crisis.*

We will not fight against ourselves for the available jobs but will unite in one movement to win **JOBS FOR ALL WHO LIVE HERE, immigrant and native-born, regardless of previous convictions-- no one denied work.** So to get Jobs For All,
